A Husband's Remorse. so long believed that all the shrews men, soon alighted near their young. in it wear petticoats, that it might | An Important Point Decided. doubt the existence of a shrew in accommodated. There was the long night of lonesomness before him, with nobody to snarl at and with to confer such right within the not coffee and rolls, good or bad, in State of Illinois. It has been a big the prespective of the bright rosy morning. There were the shirts perhaps all buttonless and likely to perhaps all buttonless and likely to remain so, although, the next day might be Sunday. Wrath was unavailing; despair sat mocking among the shivered household goods stop the business as far as Illinois is Cumberland, Arkansas, Red, Colo upon the desolate hearthstone; and concerned. . this wretched husband in the bitterness-of his lonely soul began to comprehend that he had been the cunging night we were not informed; but morning found him contrite and wilted. Seizing a pen he hastily wrote the following advertisement for all the world, for astonished hus and a court of the storage of the storage of the storage and securities. Money takes on deposit and a higher treatment, a pargative, exerting a powerful influence upon these various organs, is essentially necessary.

His case was carried through all the world, for astonished hus and a court, lasting peachs the courts, lasting peachs the courts, lasting peachs the courts, lasting peachs the courts. bands and for giggling wives to read

shown himself an exceedingly disa-greeable person. A husband "can that he could have been trusted to be" a torment, a plague, a curse, a nuisance, a botheration, and a chronic calamity. A husband "can be" that he could have been trusted to go alone to the Penitentiary and deliver himself up.—[Denver Tribuna a spendthrift, a sluggard, a drone, a malicious dunce, and a pretty des- Prospectus for 1874-Seventh Year. pot. Husbands have been all these and worse, and the Chicago sinner and penitent may have been. He acknowledges that he "shamefully treated" Mrs. Whit, and has only himself. to thank for her flight .-"Shamefully treated" is a very suggestive, and not a pleasantly suggestive phase. Then mark the pathetic acknowledgement-"whereas she was a good wife." . There can be no question about it-Whit was wrong; but when Whit was very sorry and has very magnanimously acknowledged it, and if these lines should meet the eyes of Mrs. Wait, and silently and without a tear to bury the past, if she has not done so already.

The world is full of unreasonable husbands, with here and there, if we may be allowed to say so, an unreasonable wife; but if there be any ill-used woman whose "grouty" good man crowns the ebullitions of his spleen by threating to abscond, let her adopt the expedient of saying with a cheerful smile: "I think you had better not; remember Mr. Whit, the Chicago boltter, my dear."-[N.Y. Tribune.

Danger Island.

Far south, in the Indian Ocean (writes a traveler,) in the midst of writes a traveler,) in the midst of almost eternal surf and spray, rises what is appropriately termed Danger Island. Of all the lonely spots on the globe, whose existence has been ascertained, this is probably the most lonely. Once only has it been known to have been visited by man. The sea for many hundred miles rolls and flashes over a shallow bottom, till, arriving at a certain degree of latitude, the floor of rock abrubtly terminates, and the ocean becomes in a moment of unserved and a spray and a spiral sea of the subscriber to THE ALDINE for the pair of the subscriber to THE ALDINE for the year 1874 will receive a pair of chromos. The original pletures were painted in oil for the publishers of THE ALDINE, by Thomas Moran, whose great Colorado picture was purchased by Consistency of rock abrubtly terminates, and the ocean becomes in a moment of unfathomable depth. On the very edge of this abyss stands Danger Island, which the least touch of an (Signel,) Newara, N. J., Sept. 23, 1873.

Messrs. James Strrox & Co.

Gentleman,—Lan delighted with the proofs in color of your chromes. They are wonderfully successful representations by mechanical process of the oaignal paintings.

Very respectfully, (Signel,) Thes. Moran.

rock. After rowing to a considerable distance along the foot of the precipices, one gentleman discover
life any subscriber indicate a preference for a figure subject, the publishers will send: Thoughts of Home, a new and beautiful chrome, 14x20 inches, representing a little Italian oxile whose speaking eyes betray the longings of his heart. ed a small fissure, through which he felt confident they could climb \$5 per annum in advance, with Oil to the summit; and the boat being Chromos free. pushed quite close to the rocks, two will be sent, mounted, varnished, and or three of the most daring landed, and, after no slight toil or peril, reached the top. The prospect which then presented itself was truly extraordinary. Rendered green as an emerald by the agency of hidden springs, the whole surface of by apolyling to JAMES SUTTON & CO., Publishers, 54 Meiden Lane, NEW YORK. Oct. 2, 1878. 200
